VICEROY LOS CABOS DEBUTS CIELOMAR ROOFTOP, LUXURIOUS SPA & RETAIL SHOP

Highly Anticipated Additions Mark the Official Resort Completion After Reemerging as a Viceroy Last Year

SAN JOSE DEL CABO, Mexico (February 19, 2019) – [Viceroy Los Cabos](https://www.viceroyresorts.com/los-cabos) – San José del Cabo’s sophisticated social hub – announces the opening of the striking Cielomar Rooftop, brand new full-service spa and beachside retail shop, marking the official completion of the resort’s enhancements following its debut in May 2018.

With a dreamscape design embracing the natural beauty of water throughout every facet of the resort, Viceroy Los Cabos is an architectural marvel with a modern and futuristic, yet utterly romantic feel. Now, with these exciting additions, the resort will continue to provide epic on-property experiences – a hallmark of the Viceroy brand.

Cielomar Rooftop

With sweeping views over the reflective pools and out to the ocean, Cielomar is poised to be the new San José del Cabo haunt for resort guests and locals alike. Translating to “Sky and Sea,” the name reflects both a sense of place and an atmosphere where the endless golden sky meets the brilliant blue water. Unadulterated ocean views and vibrant, fiery sunsets are complemented by a delectable menu of fire-based foods and innovative cocktails, expertly crafted by Executive Chef Cesar Pita. Open from 5:00 p.m. until 11:00 p.m. Wednesday - Monday, Cielomar specializes in fresh seafood, flame-grilled fare, wood-fired pizza, and creative craft cocktails.

From habanero-fermented Hamachi and charred corn ravioli, to tuna poke pizza topped with grilled jalapeño, and bone-in rib-eye doused in an herb bone marrow, the menu uses predominately locally sourced ingredients and the freshest catch up the day – each with a unique Mexican flare. In addition to an impressive international wine list and selection of craft beers and spirits, the signature cocktail menu

includes unique combinations of fresh ingredients such as the “Blonde Shakerato” incorporating beer and black truffle, or the “Skyline” fusing together rum, artichoke liquor, and grilled pineapple – all meticulously engineered by Chef Pita and his talented culinary team.

For those looking for the ultimate Los Cabos experience, catch the sunset with a drink in hand while enjoying live music, occurring every Thursday night. Come for the golden hour views and stay for the world-class dining and lively nightlife experience.
