

## OUR SIGNATURE COCKTAIL

### LES DEUX PITONS 16

Having switched fourteen times between French and English control, Saint Lucia was also named “St Helen of the West Indies”. Helen, in the Greek mythology, was a highly coveted woman, subject of many desires. To express that rivalry between the French and the English, our Cane Bar’s signature cocktail is designed as a sample of a Ti Punch, on the French side, and a Rum Punch, on the English one.
